

FISCAL NOTE

SB 3153 - HB 3196

February 18, 2002

SUMMARY OF BILL: Requires providers of cellular communication services doing business in this state to publish and furnish customers and the Consumer Division of the Office of the Attorney General an accurate map of its service areas, including areas without service or inadequate signals to support viable communication services. The information is to be published and furnished quarterly and failure to furnish to the Office of the Attorney General would result in a fine of no more than \$1,000 per day for each day the violation continues.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

Increase State Revenues - Not Significant

Assumes additional costs for the Office of the Attorney General to receive and monitor reporting of the companies and additional revenues from fines for violation of the provision.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
